

Request for Waiver of TOEFL/IELTS Score Report Requirements

I am applying to an online program at Florida Coastal School of Law. I understand that the online program is taught entirely in English and that English proficiency is required to be admitted to the program. I also understand that applicants to the online program are required to provide either a TOEFL or IELTS score report as proof of English proficiency.

I request a waiver of the above requirement and understand a decision on granting this waiver request will only be made after providing all supporting documentation below and my completed application for the program (including a course-by-course transcript evaluation for my foreign degree). Additionally, I request a video Skype English Proficiency Assessment.

In lieu of providing either a TOEFL or IELTS score report and in support of my waiver request, I am providing documentation from the below list as proof of my English proficiency:

- Transcript, Letter of Recommendation, or Certificate of Completion confirming years of English instruction and level of proficiency
- Transcript confirming any coursework that was taught in English (bilingual secondary school or a course of study that was taught in English)
- Recommendation letter confirming use of English in my job (identifying the period of time that English was used and in what capacity)
- Writing sample in English
- Recommendations from Coastal Law or other faculty members
- Any other type of written proof of English proficiency
