

Coastal Law's online LL.M. program in U.S. Law is designed for international lawyers who would like to improve their understanding of U.S. law in order to practice law in the U.S. or to work at an international law firm. Students can complete the program as quickly as one year—100% online. This degree provides comprehensive overview of U.S. Law and a path to bar passage in the U.S.A.\*

### **Program Benefits**

- Improve your legal skills without leaving your professional and personal communities.
- Enhance your academic credentials and stand out to prospective legal employers.
- Expand your professional network through classmates, professors, and guest speakers.
- Improve your career opportunities with law firms and corporations handling U.S. legal matters.
- Effectively handle legal work outsourced from the U.S.
- Enhance your ability to meet the academic qualifications required to take a U.S. bar exam.\*

*"I would highly recommend the LL.M. program at Florida Coastal School of Law for any foreign attorney who wishes to pursue a legal career in the U.S. or is seeking to add value to their professional careers in their home countries. I consider earning an LL.M. degree at Florida Coastal as a great investment and essential step to achieve my goal of becoming a licensed U.S. attorney."*

-Yana Applegate, First degree in law from Russia, U.S. Law LL.M.  
Magna Cum Laude, Active member of the California State Bar

### **About Florida Coastal School of Law**

Founded in 1996, Florida Coastal School of Law (Coastal Law) is an ABA-accredited institution whose culturally diverse students graduate practice-ready through hard work and ongoing practical training. Courses are taught by supportive and experienced full-time faculty. Coastal Law has been recognized by The National Jurist magazine in its honor roll of best law schools for practical training.

\*Our U.S. Law LL.M. curriculum meets the requirements for both the California and Washington State Bar exams.
